ABOUT THE ORGANISERS

SWARNIM GUJARAT SPORTS UNIVERSITY

The Swarnim Gujarat Sports University will play a pivotal role in providing trained human resource for Sports Development in the state. The University through its proposed High Performance Centre will help players enhance their physical and mental skills required to shine at the global sports arena.

GUJARAT NATIONAL LAW UNIVERSITY (GNLU)

GNLU Gandhinagar, established under the Gujarat National Law University Act, 2003 and recognized by the Bar Council of India and the University Grants Commission, endeavours to impart quality legal education to produce responsible lawyers who are professionally competent, socially responsible and receptive to the needs of a changing nation.

GNLU CENTRE FOR SPORTS AND ENTERTAINMENT LAW (GCSEL)

GCSEL is one of the first and only centre in India working in the area of Research and Development of this branch of applied law. The centre has been expanding since its inception in the year 2010, by working with renowned personalities of the field. The centre functions through 2 wings: Sports law, and Entertainment laws.

ABOUT THE PROGRAMME

During the time when, sports industry is growing at an exhilarating pace, sportspersons could find themselves in a vulnerable position. Being unaware of rights and unconscious of their duties, sportspersons often face an abrupt end to their careers. Hence it is relevant that they along with their trainers are aware of their rights, duties, sports governing authorities and redressal mechanisms.

WHO CAN PARTICIPATE?

The programme caters to Faculty members from any stream of study, including non-law fields. Participant must be a faculty hence students shall not be eligible.

PARTICIPATION IS FREE AND CERTIFICATES WILL BE PROVIDED TO ALL PARTICIPANTS ON COMPLETION OF THE PROGRAMME

ADDRESSING THE NEED

Keeping in mind the need of the sports industry, GNLU through GCSEL and SGSU have come up with one of a novel collaboration to train the physical educators about issues pertaining to sporting industry like doping, injuries, contract, gender discrimination, betting and other important areas. This FDP is a classic example of industry academia collaboration, where the benefit will directly pass on to the stakeholders, filling the long-standing void.
