NATIONAL WORKSHOP ON ROLE OF INNOVATION AND INTELLECTUAL PROPERTY IN THE MODERN ERA

ABOUT THE WORKSHOP:

Intellectual Property protection is growing stronger in these recent times, and it plays a vital role in providing incentives to individuals and companies. It also provides a road map to develop their innovation. Innovation is a core factor to improve a product or process, which can be protected through the Intellectual Property regime. Thus, it is necessary for students and researchers to understand the importance of Intellectual Property & Innovation and its role in this contemporary world.
